

Don Franco Distinguished Service Award Nomination Form

Award Information

Since 2015, The Don Franco Distinguished Service Award has recognized exceptional contributors to the rendering industry. The award pays tribute to Dr. Don Franco's enduring impact on the North American rendering industry.

The Don Franco Distinguished Service Award highlights our industry's most dedicated innovators and leaders. NARA's Executive Committee reviews nominees and honors the selected recipient, if one is chosen, in person at the NARA Annual Convention. The award recognizes truly remarkable service and may not be awarded every year.

Criteria

The contributions of nominated individuals should be milestone improvements or have prevented serious disruptions in the rendering industry in Canada and the United States. Individuals should have demonstrated a strong commitment to excellence. Examples are:

- Communicating sound science to advocate for the industry
- Facilitating new market segments for rendered products
- Developing new technologies to improve sustainability or efficiency
- Political and regulatory guidance to grow the industry

Dr. Don Franco - The Man and His Legacy

Dr. Don Franco had a distinguished and lengthy career in government and the private sector, including in the rendering industry and agriculture. He cared deeply about the rendering industry and the plight of poverty in third-world countries. Franco passed away in January 2015.

The Don Franco Distinguished Service Award reflects Dr. Franco's legacy of excellence by recognizing exceptional service to the rendering industry in areas of science, policy, marketing, or communications.
